

## PRESS RELEASE

For Immediate Release (Dhaka-November 30, 2011)

### Seminar on Private Clouding: Enterprise CTO's Perspective

Bankers' CTO Forum Bangladesh and BASIS have jointly organized a seminar on "**Private Clouding: Enterprise CTO's Perspective**" in November 30, 2011 at local city hotel. In this seminar the keynote speakers were **Mr. Ed Franklin**, Sr. Advisor, Virtustream, USA and **Mr. Mohammad Zaman**, Director, Cloud Architecture, Virtustream, USA. The speakers gave their valuable speech on the various issues of cloud computing.

The Seminar was presided by **Mr. Tapan Kanti Sarkar**, President, Bankers' CTO Forum Bangladesh. He highlighted the importance of the cloud computing and emphasized on reduction of corporate IT Budget through the concept of "Cloud Service". He also said that Bankers' CTO forum is committed to organize more seminars on this segment.

BASIS President **Mr. Mahboob Zaman** explained the significance of organizing joint event with Bankers' CTO Forum and expressed his commitment that in future both the organizations will arrange more seminars jointly.

The keynote speaker Mr. Ed Franklin explained the strategies needed to think before implementing Cloud Services. Mr. Mohammad Zaman, the other speaker, defined and explained the Private Cloud Deployment Model so that our CTOs can able to assess and implement the concept in their organization.

**Caption:** The President of BCTO Forum **Mr. Tapan Kanti Sarkar** was delivering his Welcome Speech on "Private Clouding: Enterprise CTO's Perspective" where **Mr. Mahub Zaman**, President of BASIS, Mr. Forkan Bin Quasem, Secretary General of BASIS, **Mr. Ed Franklin** and **Mr. Mohammad Zaman** of Virtustream, USA were also present.

#### **Editors Note:**

##### **About Bankers' CTO Forum:**

The Bankers' CTO Forum, Bangladesh is an independent, non-profit, non-political organization dedicated to fostering a trusted, open and creative environment where the brightest minds of our time convene to address the banking industry's important issues. The CTO Forum members collaborate and develop solutions that harness the extraordinary potential of technology.

The CTO Forum aims to provide a powerful platform where technology leaders and visionaries from around the world can explore topics of interest and share knowledge in an unbiased, trusted and intellectually charged environment.
